Registry Teal 04	#95DCD4
Registry Teal 03	#B7EDE9
Registry Teal 02	#D3F5F2
Registry Teal 01	#EFFAF8

COLOUR DIRECTION

Blue: keeps 03 #CFE7F9 and 07 #004D7A. Deep blue 10 shifts from #000F46 to #002B49 for a more unified hue.

Teal: keeps 03 #B7EDE9 and 07 #038E7D, plus the dark teal swatch at 10 (#034F44).

Intermediate tones use smooth, monotonic interpolation in OKLab, with chroma reduced only where needed to fit sRGB.

Reference corrections: values follow actual swatch fills where source labels disagree (including orange 02/03, charcoal 05 and teal 10).

Numbers indicate position within each family, rather than identical lightness across families. RGB artwork; select a print profile before CMYK conversion.
